SHADES OF GREY

The Essence
Of Exceptional Design.

ABOUT THE COLLECTION
GHR WAVE PUNCH : PUNCHLESS BEYOND LIMITS

Flavour Granito Proudly Presents The GHR Series, A Standout Part Of Its In & out Collection That Seamlessly Blends Safety, Style, And Innovation. Designed For Both Residential And Commercial Applications, As Well As Industrial Spaces, This Revolutionary Tile Series Offers Unparalleled Functionality And Aesthetics.

Leveraging High-Resistance Glazed technology from Italy, the GHR Series delivers exceptional durability to withstand daily wear and tear, GHR surfaces for enhanced safety, and a refined surface finish for a sophisticated look.

At the heart of this collection lies the unique, groundbreaking design innovation that combines subtle aesthetics with dynamic functionality. The result? Secure and elegant spaces that inspire confidence and elevate design.

Whether it's courtyards, sidewalks, patios, or high-traffic areas, the GHR Series offers anti-polishing, anti-abrasion, and tactile friction properties to minimize accidents and enhance the experience of movement.

GHR wave punch — a perfect synergy of safety and sophistication for modern living.

When You Walk On An Ordinary Surface

The Risks Of Slipping Or Falling Are High On Ordinary Tiles Due To Poor And Surface Traction. Unpredictable Moments Can Lead To Accidents, Especially In High-traffic Areas Or Spaces Prone To Water And Debris.

When You Walk Our Punchless Ghr Tile!

With Ghr Tiles, Every Step Is Secure And Confident. Our Innovative R10 Rated Ghr Wave Punch Surfaces Ensure Maximum Traction, Minimizing The Chances Of Accidents And Creating Safe Enviroment For Everyone—young Or Old, At Work Or Play.

Make Every Space Safer With Ghr

Choose Ghr Wave Punch Tiles For A Perfect Balance Of Safety, Quality, And Design. From Bathrooms To Outdoor Spaces, Create A Secure And Confident Walking Experience For Everyone.

Anti - Abrasion

Enduring Resilience Against Wear Makes The Surfaces Resistant To Scratches And Abrasions Even In High-traffic Areas.

Anti - Slip

Prioritize Safety In Every Step With A Textured Surface With A High Coefficient Of Friction, Reducing The Risk Of Slips And Falls

R-10 SURFACE

Anti - Slip

Have Exceptional Standards Of Grip At Areas With High Footfall To Prevent Slips Or Falls And Have A Safe Floor To Walk Upont

Naturally Elegant. **Beautifully Finished.**

GHR Tiles collections can be selected for a variety of applications, including floors, walls, and feature surfaces, depending on the product specification. Different sizes, shades, patterns, and finishes provide flexibility to coordinate tiles with furniture, lighting, wall colours, and other architectural elements.

A beautiful space should also be practical and comfortable. GHR Tiles focuses on bringing design and everyday usability together through a diverse range of tile options. Product selection can be tailored to the requirements of each space, considering factors such as finish, maintenance, slip resistance, and intended application.

GHR Tiles, every collection is an opportunity to express creativity and individuality. By combining thoughtfully selected colours, versatile designs, and architectural inspiration, we help bring design visions to life. Our goal is to make every space feel distinctive, harmonious, and timeless.

One of the main advantages of ceramic tiles is their easy maintenance. Their smooth surface makes cleaning simple, and regular sweeping and mopping help keep them looking fresh. Ceramic tiles are also resistant to moisture when properly installed and maintained, making them suitable for many kitchen and bathroom applications.
